LAUNDRY IS WASHED AND RETURNED ONCE EACH WEEK

Please place one copy of this inventory inside the cover of your soft trunk or largest bag. Please remember that this is camp and depreciation is to be expected. Send as much sturdy and inexpensive clothing as possible. Make sure every single item is clearly labelled and legible. Labelling with campers initials is not adequate. Make sure camper knows each item packed. Avoid using clothing which requires ironing. Be sure all baggage is clearly labelled on the outside as well as on the inside.
